Our Lady of Victories Infant School Code of Positive Behaviour

Introductory Statement

In Our Lady of Victories Infant School, we hope to foster harmonious relations between parents/guardians, children and school personnel. We have adopted a positive code of behaviour with the emphasis on encouragement and positive strategies so that positive behaviour will prevail in our school.

The ethos of our school is a major factor in establishing and maintaining high standards of behaviour and discipline. We aim to have a positive school ethos based on the quality of the relationships within the school community. This ethos permeates all the activities within the school and helps in forming a strong sense of social cohesion within the school.

Rationale

Our Lady of Victories Infant School decided to review its Code of Behaviour in because

- It was felt that in previous policies, the voice of the infant child was not significantly articulated; having established a pupil **Wellbeing Committee in 2019**, the **Wellbeing Anthem, composed by our pupils, will be intrinsically core to the school's newly revised Code of Conduct. The BOM has agreed that a Wellbeing Committee will be established annually with a view to hearing the voice of the children in the context of wellbeing for all .**

- The existing policy was due for review and amendment
- Parent/s' signature to abide by the Code of Positive Behaviour
- It is a requirement under DES Circular 20/90 on School Discipline
- Agreement that Code of Positive Behaviour be more inclusive (2023)

Teachers and parents share a common goal:

- The collective voice of the pupils as articulated in our Wellbeing Anthem will form the basis of the Positive Code of Conduct.
- **Welcome to Wellbeing** programme is taught across the streams.
- CPD relating to the **Cinéaltas Initiative** will be undertaken and a framework created.
- A climate and culture raising awareness around Cinéaltas Initiative is fostered.
- Children attending this school will be encouraged and given the opportunity to reach their maximum potential, intellectually, emotionally and spiritually. All efforts will be made to match the curriculum to the abilities, aptitudes and interests of each pupil.
- The school will endeavour to create a safe and friendly environment in the belief that this allows children to thrive.
- Every effort will be made by all members of staff to encourage positive behaviour in the school, within a framework of respect, tolerance and consideration for others.
- The school places greater emphasis on rewards than on sanctions in the belief that this will, in the long run, give the best results.
- It is agreed that a high standard of behaviour requires a strong sense of community within the school and a high level of cooperation amongst staff and between staff, pupils and parents. The school encourages communication between all parties: staff, parents and children.
- The overall responsibility for discipline within the school rests with the principal teacher.
- Each teacher has responsibility for the maintenance of discipline within his/her classroom while sharing a common responsibility for good order within the school premises and grounds.
- A pupil will be referred to the principal teacher for serious / gross breaches of discipline and for repeated incidents of minor misbehaviour.
- All serious or gross breaches of the behaviour code will be recorded and referred to the principal.

Each student is expected to:

- Be well behaved and to show respect and consideration for other children and adults
- Show respect for the property of the school, other children's and their own belongings
- Take pride in his/her appearance and wear our school uniform
- Be on time for school and to strive to attend every day- mainly parental responsibility in infant context
- Do his/her best both in school and for homework
- Each pupil is expected to:
 - Listen – to the teacher and other pupils if they are speaking
 - Work – to the best of his/her ability
 - Value – school property and the belongings of fellow pupils.
 - Follow – the direction of his/her teacher
 - Obtain – his/her teachers permission to leave the classroom (to attend bathroom)
 - Respect – the teacher, other pupils and visitors to the classroom

In the interest of safety, each pupil is expected to:-

- Walk – in the school corridors

- Hold the bannister on stairs and play safely in the yard & playground
- Use equipment appropriately e.g. building equipment for building etc
- Play safely, avoiding games that are rough or dangerous
- Follow the directions of yard/playground/hall supervisors
- Walk to and from playground
- Remain on the school premises at all times
- Avoid swearing, fighting, name-calling and bullying

On trips/school activities:-

- Each pupil is expected to
- Follow his/her teacher's directions at all times
- Remain with teacher/supervisor and group of pupils at all times
- Behave politely towards those they meet on such trips
- Observe the rules of good behaviour in our Wellbeing Anthem - kind hands, feet, words and hearts.

Strategies to Promote Positive Behaviour May Include:

- A word or gesture to show approval
- A comment on SeeSaw, homework sheet/certificate/ sticker
- A commendation from the principal or another member of staff
- A merit system
- Delegating some special responsibility or privilege
- A mention to parent, written or verbal
- Golden Time (Treat or reward earned by the class or group)
- A visit to the "Treasure Chest"
- Certificate

The balance between rewards and sanctions is necessary to maintain good standards of behaviour. The ideal is where rewards are intrinsic and virtue is its own reward.

Strategies in Dealing with Unacceptable Behaviour-General Principles

The degree of misdemeanours i.e. minor, serious or gross will be judged by the teachers and/or principal. A common sense approach will be taken. The following strategies may be used to show disapproval of unacceptable behaviour:

- Reasoning with the pupil
- Reminder of agreed school and classroom rules/behaviour contract
- Reprimand (including advice on how to improve)
- Temporary separation from peers, friends or other
- In-school suspension
- Loss of privileges
- Prescribing additional work
- Communication with parents by class teacher
- Teachers shall keep a written record of all instances of serious misbehaviour as well as a record of improvements in the behaviour of disruptive pupils
- Referral to the Principal teacher.

- Communication with parents will be verbal or by letter, depending on circumstances. The parents concerned will be invited to discuss their child's case.

Undesirable Behaviour in Pupils

- The degree of misdemeanours i.e. minor, serious or gross, will be judged by the teachers and/or Principal based on a common sense approach with regard to the gravity/frequency of such misdemeanours.
- For some pupils, it may be necessary to design a behaviour management plan in which specific, short-term, behavioural objectives are set as a result of discussion with the child, parents(s) and teacher and SNA if this applies. These plans which provide for the monitoring and modification of specific behavioural problems, are most effective over a short period of time.

Examples of Level 1 Minor Misdemeanours:-

Level 1 Behaviours are those that interfere with the orderly learning environment of the school, classroom, and of common areas. Generally, students learn through their mistakes and to this extent, responses to the daily behaviours, which occur in school will be developmentally appropriate, instructive and positive. Children will be taught what is expected and how they should behave. Listed below are some examples of the types of behaviour that are included in Level 1. Please note the list is not exhaustive.

- Interrupting class work/preventing other from learning

- Parent contact by teacher
- Positive behaviour contract

Supportive Interventions-Level 1

Suspension

- Before resorting to serious sanctions, e.g. suspension, the normal channels of communication between school and parents will be utilised. Parents will be involved at an early stage rather than as a last resort.
- For gross misbehaviour or repeated instances of serious misbehaviour a pupil may have to be suspended for a temporary period. Suspension will be in accordance with the terms of Rule 130 of the *Rules for National Schools*.
- The Board of Management authorises the Principal to sanction an immediate suspension, pending a discussion of the matter with the parents
- In the unlikely situation of a repeated need to exclude a student it will be done on a phased basis:-

Stage 1 - Excluded for a single day x 3 times;

Stage 2 - Excluded for 3 days x 3 times – this will be done in consultation with the chairperson of the BOM and the Principal

Stage 3 - Excluded for 5 days x 3 times- approval will be sought from the BOM

- The Principal or Chairperson will notify the parent in writing of the decision to suspend.
- The period of the suspension and the dates on which the suspension will begin and end.
- The reasons for the suspension.
- The arrangements for returning to school, including any commitments to be entered into by the student and the parents will be discussed and agreed on.

- Where the cumulative total of days reaches 6, the NEWB/EWO will be notified.
- Every effort will be made to have an emotionally disturbed child referred for psychological assessment without delay.

- There is an expectation that the HSE/Children’s Disability Network Team-CDNT /NEPS/EIT/AON/SADT or other appropriate state agency will engage appropriately and with expedience when support and advice is sought from school management/ BOM.

- Consultations arranged by the EWO.
- Confirmation of the decision to expel.

Appeals

A parent may appeal a decision to expel to the Secretary General of the Department of Education and Skills (Education Act 1998 section 29)

Monitoring and Review:

Each staff member is responsible for the implementation of the Code of Behaviour and Anti-Bullying Policy. Within the classroom the teacher monitors his/her class. Teachers consider themselves responsible for the behaviour of children within sight or sound of them and respond to any instance of unacceptable behaviour. The principal is responsible for monitoring and reviewing Policy at staff level on a regular basis and reports any review the staff deem necessary to the Board of Management.

The Board of Management (BOM) has ultimate responsibility for discipline in the school under its management and a duty to ensure that a fair code of discipline applies therein in order that children learn and thrive in a safe environment. The BOM will ensure the Code of Behaviour and Anti-Bullying policy is reviewed yearly or more often if the need arises.

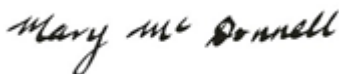

In registering children in Our Lady of Victories Infant School, parents are expected to support teachers in following the policies and procedures of the school.

The Code of Positive Conduct Policy is reviewed annually and following consultation with stakeholders (children, parents, staff) , was amended (*Addition of the Growth Mindset, Power of Yet and initial collaborative work on Cinéaltas Programme*) and ratified by the Board of Management of Our Lady of Victories Infant School on 15th October 2024.
